## WELCOME MESSAGES

Since 1976, the mission of the World Association of Veterinary Laboratory Diagnosticians (WAVLD) has been to improve animal health, human health, and One Health by facilitating the availability of quality laboratory testing provided by veterinary diagnostic laboratories. The mission is accomplished through various activities including the delivery of scientific and educational symposia. During the 17 previous International Symposia, diagnosticians from around the world have had the opportunity to interact in an instructive, informative, and collegial environment.

The WAVLD Executive Board has the pleasure of announcing that the next International Symposium of WAVLD (ISWAVLD) will be held 19 - 22 June 2019, in Chiang Mai Thailand. Chiang Mai is a beautiful city in the mountains of Northern Thailand. The city is known for its cultural heritage, natural beauty, amazing food, and of course, the hospitality of the Thai people.

The Thai Association of Veterinary Laboratory Diagnosticians (TAVLD), led by Prof. Achariya Sailasuta, has been preparing for a great meeting. Prof. Sailasuta, along with the members of the Organizing Committee, have selected the theme "Innovation of Clinical and Public Health Laboratories: Integrating on the Future of One Health." Committees have been formed for all aspects of the meeting. Those committees are actively working to ensure that the 19<sup>th</sup> ISWAVLD is successful.

I am confident that the TAVLD Committees' efforts will result in a very successful 19<sup>th</sup> ISWAVLD. I encourage you to submit an abstract and look forward to seeing you 19 - 22 June 2019 in Chiang Mai, Thailand.

Sincerely,  
*Barbara M. Martin*  
WAVLD, Executive Director

On behalf of the Thai Association of Veterinary Laboratory Diagnosticians, TAVLD, I feel proud to invite veterinarians, researchers, technicians, and other related professions on the veterinary laboratory diagnosis from all over the world to the 19<sup>th</sup> International Symposium of World Association of Veterinary Laboratory Diagnosticians, 19<sup>th</sup> ISWAVLD, and OIE seminar to be held during 19 - 22 June 2019 in Chiang Mai, Thailand.

Since 2003, TAVLD had successfully held the memorable 11<sup>th</sup> ISWAVLD in Bangkok, Thailand. Once again after 16 years, we would like to bring the 19<sup>th</sup> ISWAVLD 2019, back to Thailand in the spirit of the ASEAN Economic Community (AEC), the biggest livestock production, and a center of ASEAN countries.

The Symposium has adopted the theme of "Innovation of Clinical and Public Health Laboratories: Integrating on the Future of One health" and will consist of scientific programs, workshops and excursions.

The 19<sup>th</sup> ISWAVLD will give you an excellent opportunity to meet distinguished veterinarians, researchers and animal scientists in different disciplines of veterinary diagnostics to offer your own contribution to the discussion, to share your experiences on the technological innovation for the world of applied diagnostic and researches exhibitions and to enjoy an atmosphere of memorable international friendship.

We look forward to welcome you to Chiang Mai, classic city, rich in culture and exquisite cuisine in June 2019.

Sincerely,  
*Prof. Dr. Achariya Sailasuta*  
President of Thai Association of Veterinary Laboratory Diagnosticians (TAVLD),  
Chair of the 19<sup>th</sup> ISWAVLD Organizing Committee

## CONFERENCE THEME

### Innovation of Clinical and Public Health Laboratories: Integrating on the Future of One Health

#### HIGHLIGHTS:

1. Novel developments in omics and bioinformatics technologies in veterinary science
2. Microbiome and antibiotic-free production systems
3. Laboratory monitoring of antimicrobial resistance (AMR)
4. Recent application of molecular targets and biomarkers in disease diagnosis, prognosis, prevention and epidemiology
5. Detection, management and control of endemic, new and emerging diseases

#### TARGET GROUP OF DELEGATES

- Veterinarians
- Veterinary technicians
- Veterinary paraprofessional
- Medical profession
- Technician
- Scientists
- Researchers
- Others who related to the laboratory diagnosis, public health and food safety

#### REGISTRATION FEE:

Categories	Early Bird Rate (1 June 2018 – 28 February 2019)	Standard Rate (1 March – 31 May 2019)	Standard Rate (19-22 June 2019)
<i>Delegate</i>	500 USD	550 USD	650 USD
<i>Student</i>	200 USD	250 USD	300 USD
<i>ASEAN Delegate</i>	300 USD	350 USD	400 USD
<i>ASEAN Student</i>	150 USD	200 USD	250 USD
<i>Local Delegate</i>	3,500 THB	4,000 THB	5,000 THB
<i>TAVLD Member</i>	3,000 THB	3,500 THB	4,000 THB
<i>Local Student</i>	1,500 THB	2,000 THB	2,500 THB
<i>Accompanying Person</i>		50 USD	
<i>Congress Dinner</i>		80 USD	

## IMPORTANT DATE

- Early bird registration:
- Regular registration:
- Abstract submission:
- Notification of abstract acceptance:
- Author Registration and payment within:

1 Jun. 2018 – 28 Feb. 2019  
1 Mar. – 31 May 2019  
1 Nov. 2018 – 28 Feb. 2019  
1 April 2019  
30 April 2019

## ABOUT CHIANG MAI

Chiang Mai province is the largest and most culturally significant city in northern Thailand. Chiang Mai is also blessed with pristine natural resources including mountains, waterfalls and rivers. The presence of numerous hill tribes that feature a wealth of unique cultures enhances Chiang Mai's distinctive diversity. Hill tribe trekking, often combined with river rafting and elephant riding has always been one of Chiang Mai's greatest tourist attractions.

## VENUE

The Empress Convention Center, Chiang Mai, Thailand
